EDUCATION

CDAC Kharghar, Navi Mumbai   Percentage - 71.25
Post Graduate Diploma in Advanced Computing   *Aug 2024 – Feb 2025*

SSBT's College Of Engineering And Technology   Percentage - 72.33
Bachelor of Engineering   *2021 – 2024*

Government Polytechnic Jalna, Jalna   Percentage - 85.16
Diploma Engineering   *2018-2021*

Saraswati Vidya Mandir, Shendurni   Percentage - 72.20
SSC   *2018*

PROJECTS

TalentTrace | *Spring Web API, .NET with React*   ⬤ **github.com/Pratik0424**

- Developed a student job portal application using Spring Boot (Java), .NET, and React, streamlining job search and recruitment processes.
- **Authentication & Authorization:** Implemented secure user authentication and role-based authorization using JWT to ensure data protection and access control.
- **Job Management System:** Designed and developed a comprehensive job posting and application tracking system, allowing recruiters to post jobs and students to apply seamlessly.
- **CRUD Operations:** Built robust backend APIs for creating, reading, updating, and deleting job postings, applications, and user profiles with efficient database integration using MySQL.
- **Mailing System:** Integrated an automated email system to send confirmation emails upon successful user registration.

E-Books | *React, Express, Node, MySQL*   ⬤ **github.com/Pratik0424**

- Developed a responsive web application for browsing and purchasing e-books, offering a seamless shopping experience.
- **Frontend Development:** Built an intuitive and visually appealing UI using HTML, CSS, and React for a smooth user experience.
- **CRUD Functionality:** Implemented backend using Node.js, Express.js, and MySQL for managing buyer and book data with persistent storage.
- **Theme Toggle:** Added light/dark mode with preferences stored in localStorage for a personalized experience.
- **Interactive UI:** Created search and login modals, a scroll-to-top button, and active link highlighting for smooth navigation.
- **Responsive Design:** Tailored Swiper sliders and breakpoints for optimal viewing across devices.

TECHNICAL SKILLS

Languages: C, C++, Java, JavaScript

Technologies: .NET, Hibernate, Spring, Spring Boot, Express.js, React, Node.js

Tools/Frameworks: Docker, Git, GitHub, Visual Studio, VSCode, Eclipse, Postman

Courses: Data Structures, Object-Oriented Programming (OOP), Database Technologies (MySQL), Operating Systems, Computer Networks, Software Development Methodology.

LEADERSHIP / EXTRACURRICULAR

Project Lead (Training Role as a Student)   *Aug 2024 – Feb 2024 CDAC Kharghar, Navi Mumbai*
Led a team of five to develop a job portal featuring job postings, student job applications, applicant tracking, mailing capabilities for user registration, and secure authentication and authorization using JWT.

Technical Lead (Training Role as a Student)   *Aug 2024 – Feb 2024 CDAC Kharghar, Navi Mumbai*
Led communication between the development team and stakeholders, ensuring clarity on technical goals. Directed discussions, resolved challenges, and ensured smooth project execution.
